

Permissive Change Request Letter

Date: October 14, 2025

This is to request a Class II permissive change for FCC ID: **2ABTU-BE200D2W**, originally granted on **08/22/2025**.

The major changes filed under this application is:

Change #1: The certified module (FCC ID: 2ABTU-BE200D2W; model: BE200D2W) is integrated into a new platform (Product: TABLET, Brand: RuggON, Model: SOL 7).

Except for the above differences, the hardware design is identical with the original grant. Should you have any enquires or comments, please have my best attention.

Sincerely,

A handwritten signature in cursive script that reads "Jay Wu". The signature is written in black ink and is positioned above a horizontal dashed line.
