

Permissive Change Letter

Date: September 10, 2026

This is to request a Class II permissive change for FCC ID: **2ABTU-C6490**, originally granted on **06/19/2025**.

The major changes filed under this application is:

Change #1: The certified module (FCC ID: 2ABTU-C6490; model: C6490-U8A) is integrated into a new platform (Product: Rugged Tablet, Brand: RuggON, Model: Spark 7-T).

Change #2: Add two antennas with the same type and lower gain.

Except for the above differences, the hardware design is identical with the original grant. Should you have any enquires or comments, please have my best attention.

Sincerely,

A handwritten signature in black ink that reads "Jay Wu". The signature is written in a cursive, flowing style. Below the signature is a horizontal dashed line.

Jay Wu / Manager
RuggON Corporation
