

150*100mm

Bluetooth Headphone
Manual

SPECIFICATIONS

Bluetooth version: Bluetooth 2.1+EDR
Effective transmission range: 10m
Battery: 360mAh Li-polymer battery
Charging time: 2.5 hours (maximum)
Playing time: 8 hours
Standby time: up to 45 days (Power Off status)
LED indicator status: Blue LED for power and BT pairing indicator
Red LED for charging indicator
Diameter of driver unit: 40mm
Frequency range: 20Hz~20kHz
Sensitivity at 1kHz: 110±5dB
Impedance: 32Ω±15% Ω
Distortion: ≤1% at 1kHz
Rated power input: 10mW
Net weight: Approx. 183g

ACCESSORIES

USB charging cable 1x
3.5mm audio cable 1x
Instruction Manual 1x

7. LED indicator

CHARGING

- Connect headphones to a PC or power adapter with USB charging cable.
- The LED light will colour red when the headphones are in charging mode.
- The LED light will turn off when the headphones are fully charged.

PAIRING

1. Keep the headphones and the mobile phone/music player within 1 meter of each other when pairing.
2. Enter pairing mode by holding the On/Off button (1) for approx. 3 seconds until the LED light flashes blue.
3. Open the Bluetooth settings on your device and select "LE" from the device list.
4. Some devices require a pin code. If this is the case, please enter the code "0000".
5. If required, select "LE" from the Bluetooth device list to complete the connection.
6. Once successfully paired, the LED light will flash blue once every few seconds.

PLAYBACK / CONTROLS

1. Once paired, you can play music from your phone or music player.
2. Press "+" (2) or "-" (5) to fast forward or rewind.
3. Press "+" (2) and "-" (5) for at least 3 seconds to adjust volume up or down.
4. Press Play/Pause (1) to Play or Pause the track.

Note: The control will not function when charging.

CALLS

1. When there is an incoming call, press Play/Pause (1) once to answer. Press the button again to hang up.
2. Press "+" (2) and "-" (5) for at least 3 seconds to adjust the volume level down or up.

POWER ON

Press and hold On/Off button (1) to turn the headphones on. The LED will flash blue when the headphones are active.

Note: The headphones will be active when charging.

POWER OFF

Press and hold On/Off button (1) to turn the headphones off. The LED indicator will go out when the headphones are off.

FCC Information and Copyright

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates,

uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference

to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does

cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is

encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

15.19 Labelling requirements.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC RF warning statement: the device has been evaluated to meet general RF exposure requirement , The device can be used in portable exposure condition without restriction.
