Confidentiality Request for 2AC2OBRF210-REV1

To Whom It May Concern:

Pursuant to FCC 47 CRF 0.457(d) and 0.459, the applicant requests that a part of the FCC Application for Equipment Authorisation be held confidential.

Long term confidentiality is being requested for the following exhibitions submitted with the Application for Equipment Authorisation:

Exhibit type	Description	File Name
Operational Description	BRF210 Hardware Spec Draft (includes operational description)	BRF210 Hardware Design Specification V0.2 Draft.pdf
Block Diagram	BRF210 Hardware Spec Draft (includes block diagrams)	BRF210 Hardware Design Specification V0.2 Draft.pdf
Schematics	BRF210 Hardware Spec Draft (includes schematics)	BRF210 Hardware Design Specification V0.2 Draft.pdf
Internal Photos	BRF210 Internal Photos (3 images)	BRF210_INTERNAL.jpg

The applicant requests the exhibits listed above be permanently withheld from public inspection due to the existence of trade secrets and proprietary information not customarily released to the public.

Direct Payment Solutions has expended substantial resources developing this product. Having the subject information easily available to competitors may negate the advantage achieved by developing this product.

Sincerely,

Andy Cullen
Chief Executive Officer
