

Request for Dismissal

Date: 26th August 2015

TO: Federal Communication Commission

Please kindly be notified that we, Armco Key Security Limited herein request to dismiss the FCC ID: 2AC2XGAD20A014A for the following reason:

The product was originally intended as a 'production' model, however the Company has since decided to upgrade and re-configure the technology to offer a more 'universal' solution. As a result the original product with the ID listed above has not and never will be sold or marketed anywhere with an FCC ID. We will be applying for FCC approval for the new product when it is appropriate.

It is for this reason that I would ask you to kindly permit the dismissal.

Yours sincerely,

Ian Branagan
