89mm 45mm  AMAZFIT GTR Product Manual	
01 Package contents 	
02 About the Watch Note: If the watch is powered off and doesn't turn on when you press and hold the power button, the battery may be running low. Please charge the watch and try again. 	03 Installing the App The watch works with the Amazfit App. The Amazfit App helps you control your smartwatch and all its functions. 1. Press and hold the power button to turn the watch on. 2. Scan the QR code on the Instruction Manual with your mobile phone to download the Amazfit App to your mobile phone. You can also download the latest version of the Amazfit App from the Google Play Store or Apple App Store. Note: 1. For a better user experience, please use the most recent version of the Amazfit App. 2. The operating system needs to be Android 5.0, iOS10.0, or above. 
04 Pairing the Watch 1. Open the Amazfit App on your mobile phone and create an account. Please login if you already have an account. 2. From the device list, select the watch you want to pair. Following the following instructions on the app. 3. Once the pairing is done, the watch will display the correct time. You can select the other watch functions as needed. Note: Do not pair the watch directly using your mobile phone's Bluetooth. Follow the steps in the app to pair your watch correctly. 	05 Charging the Watch Only use the original charger to charge your watch. The charging plates on the back of the watch should be aligned with those of the charger. Once the watch begins to charge, the charging indicator will appear on the screen. Note: Only use the original charging base provided in the product package to charge your watch. Also make sure that the charging base is always kept dry. 
06 Disassembly and Assembly of the Watch Strap 1. The strap can be adjusted according to your wrist size. 2. Please refer to the illustration to disassemble or assemble the watch strap.  Note: 1. Once the strap is assembled, pull the strap properly to ensure it is installed successfully. 2. The leather strap is not waterproof or water resistant. Please keep it away from any liquids. If you are planning to wear your watch during swimming or any other activities that may expose to water, please replace the leather strap with a silicon one.	07 Regulatory Notice This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: 1. This device may not cause harmful interference, and 2. This device must accept any interference received, including the interference that may cause unwanted operation. FCC ID: A638190 Any changes or modifications that are not expressly approved by the party responsible for the compliance may void the user's authority to operate the device. 
08 Disposal and Recycling Information The following symbol signifies that this device has to be disposed separately from ordinary household wastes at the end of its life. Please kindly be aware that this is your responsibility to dispose the electronic device at recycling centers so as to help conserve the natural resources. 09 Certifications and Safety Approvals Intently, Antai Huami Information Technology Co., Ltd. declares that the radio device type A1921 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: http://www.amazfit.com/support/here For more regulatory information and product certification/compliance logos related to AMAZFIT GTR, please go to Regulatory on your AMAZFIT GTR.	10 Safety Notice 1. The device is water resistant with a certified rating of 5ATM. This means that the device is resistant to rain and can be worn while showering. It may also be used in shallow-water activities, such as swimming in a pool. 2. However, the watch should not be used when scuba diving, bathing, taking a sauna, or in other activities involving a high velocity of water or the submersion below shallow depths. 4. Please do not operate the watch underwater. After submerging, dry it with a dry cloth before operating it again. 3. The watch is not protected against chemical reagents, acidic or alkaline solutions, etc. Defects caused by liquid damages are not covered under the warranty.
11 Basic Parameters Name: AMAZFIT GTR Product model: A1921 Battery capacity: 195 mAh Bluetooth version: BT 4.2 LE Input: 5V 500mA MAX Frequency: 1602 MHz ~ 2480 MHz Max. Output: 0.58W Operating temperature: 0°C to 40°C Water resistance rating: 5 ATM Device requirements: Devices installed with Android 5.0 or iOS 10.0 or above OS versions	12 Warranty and Return Policy The Amazfit Limited Warranty covers Amazfit products against manufacturing defects beginning on the original purchase date.
