

Label Location Justification Letter

Subject: Label location request for FCC ID: 2AC8UA2321

Dear Sir or Madam,

For the product with FCC ID above, the certificate label including FCC ID number are not affixed on the product itself due to below reasons.

It will be worn on human's finger when used. Physical label will bring discomfort to users.

Also, it's hard to print FCC ID on surface of ring due to its too small size and curved appearance.

To validate the grant of equipment authorization, the FCC ID will be included in user manual. It is readily viewable at all times for users.

Thank you in advanced!

Best regards.
