

A photograph of a black cylindrical device, likely a sensor or actuator, resting on a blue surface. The device has a white label with a QR code, a red arrow pointing to it, and some text including "Model: S-100", "Part No: S-100", "Lot No: 123456", and "CE". Two yellow rulers are placed next to the device for scale. A red arrow points from the top of the image to the label.
