

# SBO Hearing A/S

## Label Specification

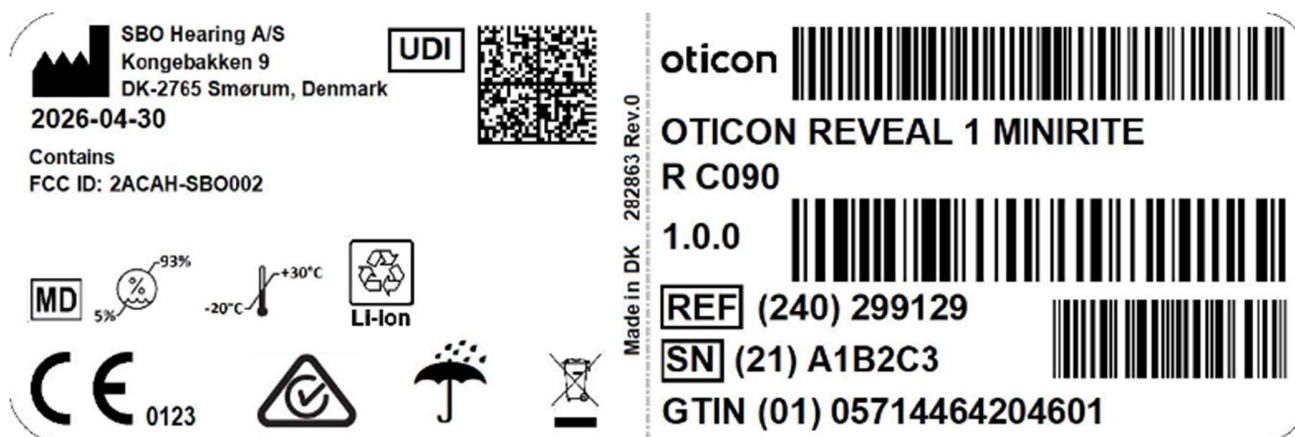

The model SBO002 is label exempted in both US and Canada with respect to the FCC ID, IC and HVIN, due to the small form factor (26.5 x 18.0 x 7.5 mm), the model will be labeled both in the IFU and on the packaging label.

**FCC ID:** 2ACAH-SBO002  
**IC:** 11936A-SBO002  
**HVIN:** SBO002

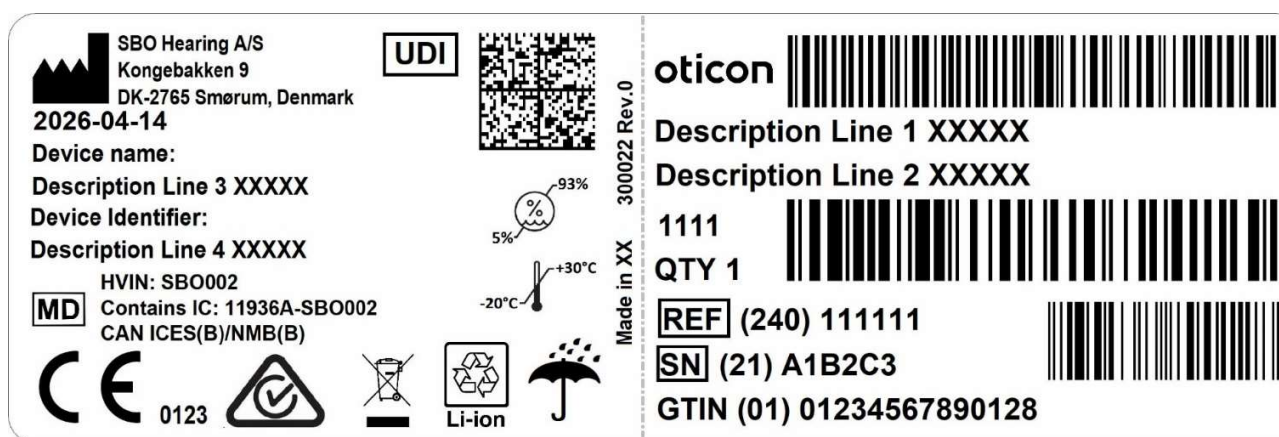

The model is designed for full encapsulation, making the internal components inaccessible. Please see external pictures exhibit.

For FCC ID and ISED number labeling please see user manual exhibit.

Packaging label examples are shown below:
