A handheld antenna assembly is shown against a grey background. The assembly consists of a black plastic frame with four mounting tabs, a green circular substrate, and a central gold-colored rectangular antenna element. A white label is affixed to the gold surface. To the left of the assembly is a vertical ruler with markings from 10 to 130 mm. Below the assembly is a horizontal ruler with markings from 10 to 140 mm. A white cable is connected to the right side of the antenna.
