C2PC application cover letter

FCC-ID: 2ACC7RKE232E1

IC: 11980A-RKE232E1

To demonstrate the compliance with FCC Regulations Subpart 15C the initial test report **19-1-0173601T06a-C1** was done. For the initial Homologation a **Reference Antenna** was used because the real car antenna was still not available.

The Partial Test Report **19-1-0173606T03a** was done under real conditions with the real car including the real antenna.
