Subject: FCC Class II Permissive change for FCC ID: 2ACCJB079

To Whom It May Concern,

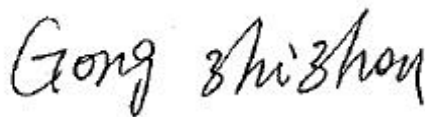

This is to request a Class II Permissive change for FCC ID: 2ACCJB079, originally granted on Jan. 2th, 2017.

The Major change filed under this application is as below.

1. APP changes:
Remove AT&T preload apps and add Tracfone preload apps.
2. Memory changed.
Memory changed from 8+1 to 16+2, pin to pin compatible with each other, and keep the same schematic/PCB design

As the concern above, we make tests for RE test of 15B & SAR test. We request permission to reuse part 22/24 & 15C & HAC testing results from model 5044R in our applications for model A574BL.

Thank you.
Sincerely,

A handwritten signature in black ink that reads "Gong Zhizhou".
