

# Appendix D

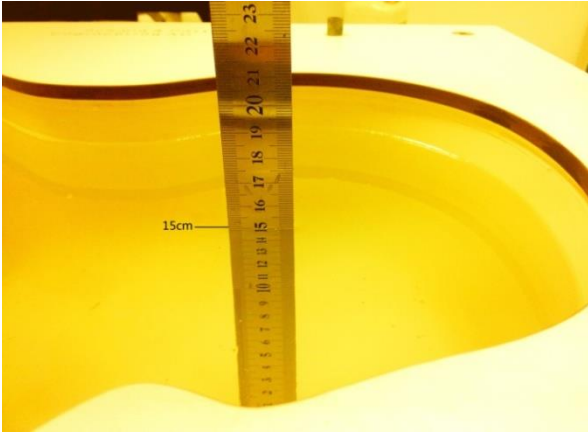

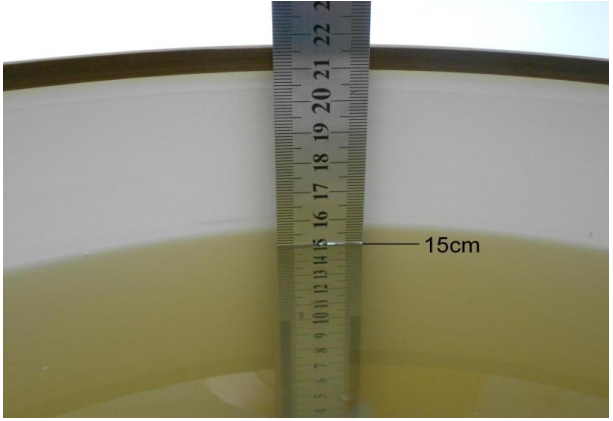

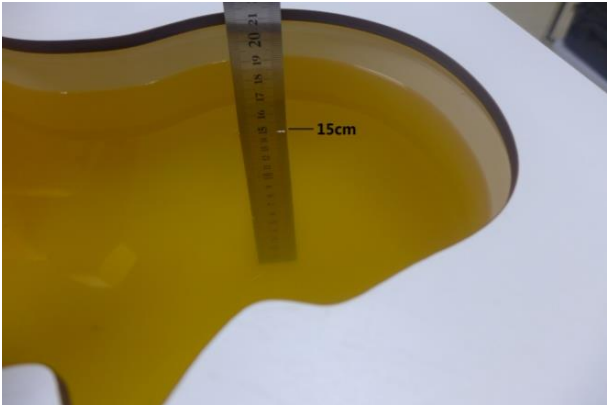

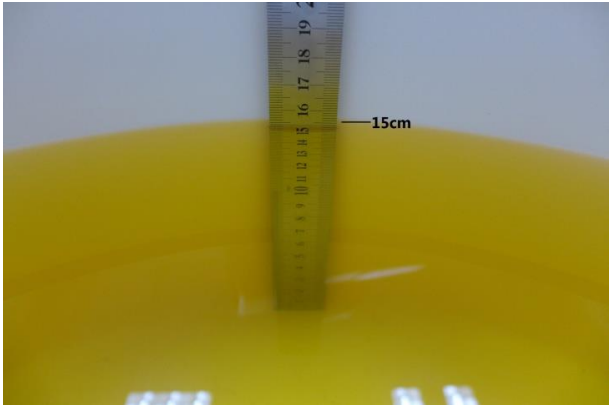

## Photographs

|                                          |
|------------------------------------------|
| 1. SAR measurement System                |
| 2. Photographs of Tissue Simulate Liquid |
| 3. Photographs of EUT test position      |
| 4. EUT Constructional Details            |

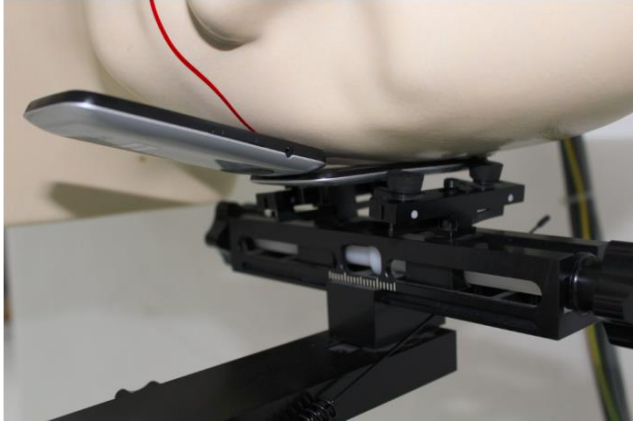

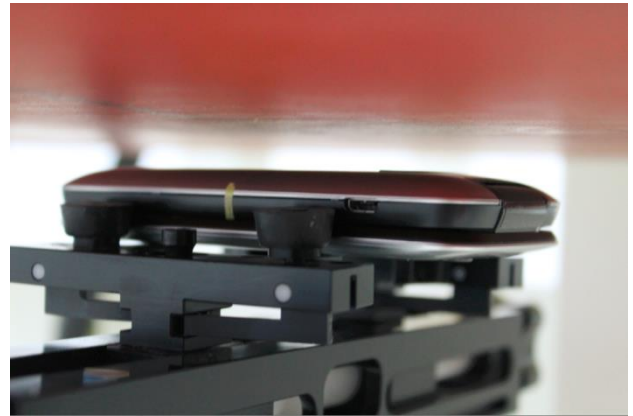

## 1. SAR measurement System

## 2. Photographs of Tissue Simulate Liquid

|                                                                                     |                                                                                      |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| <p><b>Photo 1: Tissue Simulant Liquid for Head 835</b></p>                          | <p><b>Photo 2: Tissue Simulant Liquid for Body 835</b></p>                           |
|    |    |
| <p><b>Photo 3: Tissue Simulant Liquid for Head 1900</b></p>                         | <p><b>Photo 4: Tissue Simulant Liquid for Body 1900</b></p>                          |
|  |  |

### 3. Photographs of EUT test position

|                                                                                     |                                                                                      |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| <p>Photo 5: Left touch cheek</p>                                                    | <p>Photo 6: Left tilted 15 degree</p>                                                |
|    |    |
| <p>Photo 7: Right touch cheek</p>                                                   | <p>Photo 8: Right tilted 15 degree</p>                                               |
|   |   |
| <p>Photo 9: Front side 10mm with cover close</p>                                    | <p>Photo 10: Back side 10mm with cover close</p>                                     |
|  |  |

| Photo 11: Back side 10mm With Cover Open                                          | NA |
|-----------------------------------------------------------------------------------|----|
|  | NA |

## 4. EUT Constructional Details

| Photo 12: Front View                                                                | Photo 13: Back View                                                                  |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
|    |    |
| Photo 14: Front View With Cover Open                                                | Photo 15: Back View With Cover Open                                                  |
|  |  |
