Attn: OET Dept.

Ref: FCC Class II Permissive change for FCC ID: **2ACCJB250**

Applicant: TCL Communication Ltd.

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: **2ACCJB250** originally granted on **07/13/2026** (date).

The change under this application is to

1. Changed the model name from 8189S to 8289S;
2. Changed the software from Android 15 to Android 16 AOSP;
3. Disabled MMS function by software;
4. Removed ESIM function by software;
5. Added wireless charging function (RX Only) by hardware and software;
6. Updated new Tx SAW Filter and Rx SAW Filter (SAW Duplexer) for LTE B13/B14 and NR n14/n71;
7. Disabled fingerprint function by hardware and software;
8. Added flash lens function by hardware and software;
9. Increased the graphite sheet (for heat dissipation) area, the shape of the battery connector steel piece has changed (because a wireless charging base was added, it needs to hold the base);
10. Changed to new accessories (adapter, built-in battery, USB cable), and added wireless charging base;
11. changed the power of the sensor on states for GSM 1900, ANT0 for LTE B2, LTE B13 and N14/71. No change in radio parameters has occurred for other bands.
12. No change in radio parameters has occurred, the specifications remain unchanged and do not affect the RF performance.

I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.

Sincerely,

A handwritten signature in black ink that reads "Ting Wang". The script is cursive and fluid, with the first and last names clearly distinguishable.

Name: Ting Wang
