

A black electronic device, possibly a handheld scanner or a specialized camera, is shown. It has a blue, ribbed, cylindrical cap on top. A blue plastic latch is visible on the side of the cap. Two white labels are affixed to the front of the device. The top label reads "PATENT PENDING". The bottom label contains FCC and IC identification numbers. The device has a silver-colored circular feature on the right side and another similar feature on the bottom left.

PATENT PENDING

FCC ID: 2ACDM-SNT20B
IC:11983A-SNT20B
