

10. SETUP PHOTOS

CONDUCTED EMISSIONS MEASUREMENT SETUP	
 A photograph showing the conducted emissions measurement setup. A white label with the number '12968657' is visible on the equipment. A laptop is connected to the setup, displaying data on its screen.	
RADIATED EMISSIONS MEASUREMENT SETUP	
 A photograph showing the radiated emissions measurement setup for frequencies below 1 GHz. The device is placed on a white surface, and a laptop is connected to it. The setup is in an anechoic chamber with white walls and a black floor.	 A photograph showing the radiated emissions measurement setup for frequencies below 1 GHz from a different angle. The device is on a white surface, and a laptop is connected to it. The setup is in an anechoic chamber with white walls and a black floor.
 A photograph showing the radiated emissions measurement setup for frequencies above 1 GHz. The device is on a white surface, and a laptop is connected to it. The setup is in an anechoic chamber with white walls and a black floor.	 A photograph showing the radiated emissions measurement setup for frequencies above 1 GHz. The device is on a white surface, and a laptop is connected to it. The setup is in an anechoic chamber with white walls and a black floor.
