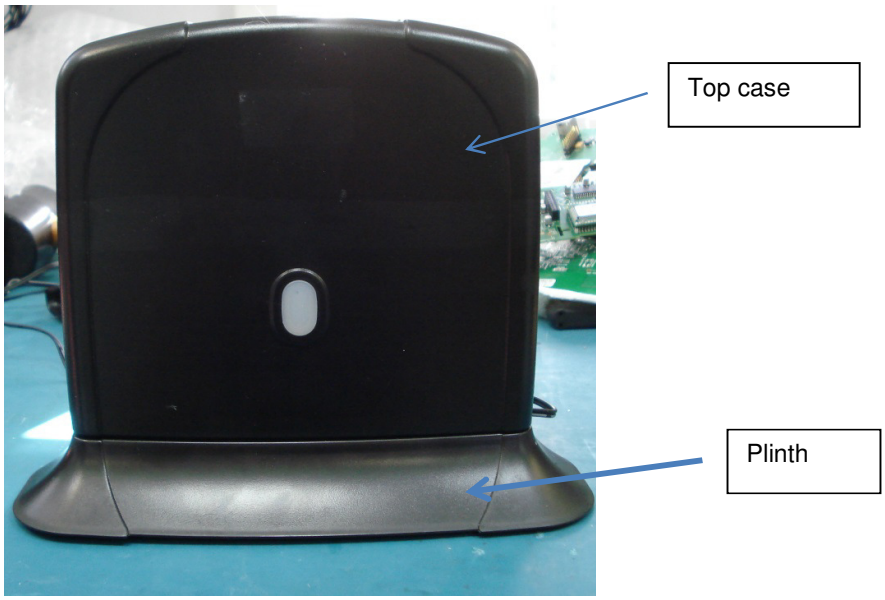
1 FCC Label Position..... 3

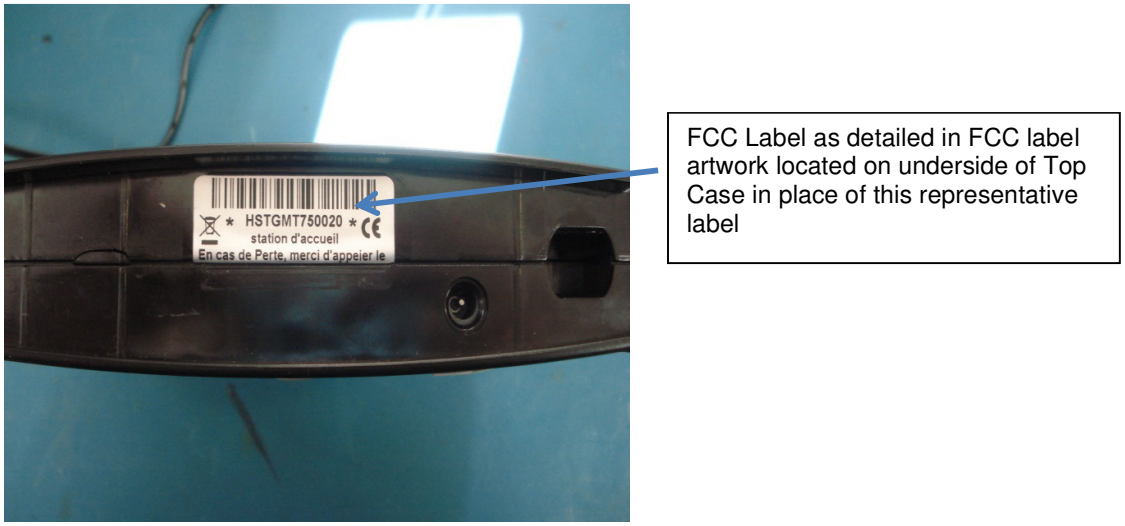
1 FCC Label Position

The FCC label is to be positioned on the underside of the main case, visible through a hole on the underside of the plinth.

The plinth is tamper riveted to the main case so the label can be viewed but is not easily accessible by anyone.

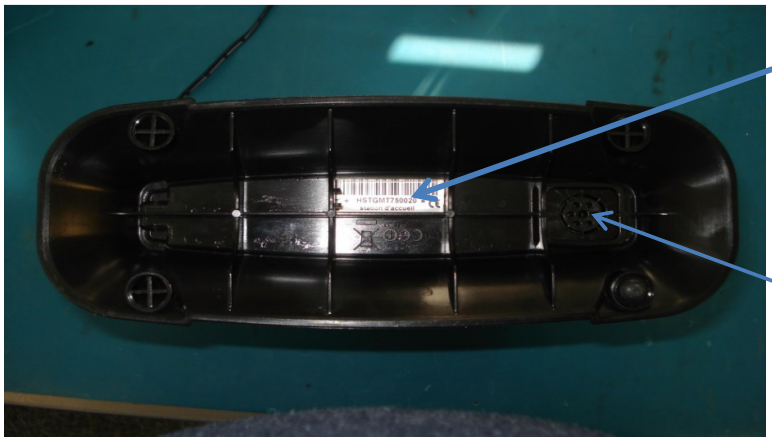
Complete Unit:





Tamper rivet hole

Plinth has hole for label on top case to be viewed from underside of plinth



Tamper rivet locks plinth and top case together
