RE: Declaration of Similarity
FCC ID: 2ACGBPID915

To Whom It May Concern:

Please be advised that the models PID3 and Key Fob (FOB3) are electronically identical, all RF measurements and test results are exactly the same.

The differences between the models are the shape and colour of the plastic case: PID3 is grey and has extra plastic wings that attach to a kevlar strap that is installed on the offender, FOB3 is red and carried by an officer on a chain attached to his person

Thank you for your attention to this matter.

Yours faithfully
G4S Monitoring Technologies Ltd

Tom Coggins
