A photograph of the back of a silver, rectangular T40 Air device. The device is positioned on a blue textured surface. To its left and bottom are yellow rulers for scale. The left ruler is vertical, showing markings from 33 to 55 cm. The bottom ruler is horizontal, showing markings from 0 to 25 cm. The device's back features the 'TECLAST' logo in the center. Near the bottom edge, there is a small label with the text 'T40 Air' followed by various regulatory symbols (FCC, CE, UKCA, etc.) and a QR code. A red arrow points from the top of the device down to this bottom label. The device has rounded corners and a small circular camera lens in the top right corner.
