

GET STARTED

1. Turn ON the unit by sliding the BATT switch to green.

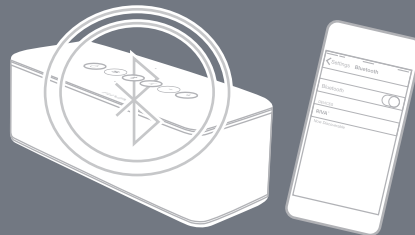

2. Press Power button for 1 second and wait a few seconds for the startup tone.

Please read the user guide on support.rivaaudio.com to experience all RIVA S features.

English

3. Find “RIVA S” on your Bluetooth® setting and connect.

4. Download the RIVA Audio app for iOS and Android™ to remotely control your RIVA S.

RIVA recommends you play the S for 3 hours at 50% volume to “break in” the speakers for maximum acoustic performance.
