The image shows a black, rectangular object with rounded corners, possibly a component or a small case, resting on a blue textured surface. A yellow folding ruler is positioned vertically on the left side of the object, and another yellow folding ruler is positioned horizontally below the object. The vertical ruler has markings from 62 to 66 inches. The horizontal ruler has markings from 91 to 95 inches. A white rectangular label with a blue border is centered on the front face of the black object. The text "Label location" is printed in black on the white label.
