

Subject: Installation Attestation Letter
To whom it may concern

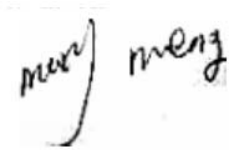

Date: 2017.07.13

We Skylab M&C Technology Co.,Ltd. hereby confirm that the SKW92 module with FCC ID: 2ACOE-SKW92 will only be installed by dedicated professional integrators into wireless routers categorized as portable/fixed device as documented in the photo annex.

Additional host platform(s) may be added via Class II Permissive Change.

We also assure with the instruction manual, that the professional integrator is aware of the integration limitations, labeling instructions and final compliance measurements of the end product to comply with the applicable FCC rule parts.

Sincerely,

A handwritten signature in black ink, appearing to read 'mary meng', is written over a faint rectangular grid background.
