Subject: Change of ID for FCC ID PJMMR101-PR101

Feig authorises Research Instrument LTD to submit its product **Admin & Card reader 6-70-808** for certification on behalf of Feig.

Research Instruments have taken product **Feig PR-101** and replaced its plastic enclosure to match the appearance required by the product line it belongs to. The design itself has not been modified by Research Instruments, therefore the original test results can be considered applicable.

Feig has given authorisation to change current **Feig FCC ID PJMMR101-PR101** for Research Instruments FCC ID 2ACOO-670808 to be displayed on the enclosure of **Admin & Card reader 6-70-808** under FCC rule 2.933. The original date of certification was 6/2/2005.

Sincerely,
