

HACHIKO

Date: December 1, 2014

To: Federal Communications Commission
Authorization and Evaluation Division

Subject: Permissive Change Class II for Hachiko Technologies,
Dog Collar Sensor, HC2
FCC ID: 2ACPXDIAMOND

To whom it may concern,

The original product, HC1, was originally authorized for FCC certification on 08/13/2014 under FCC ID: 2ACPXDIAMOND.

The HC2 will replace the HC1 in the market.

The device contains a 2402.0-2480.0 MHz radio.

The changes to the original product are as follows:

1. PCB reduction (non transmitter portions depopulated). Removal of gyro and magnetometer from board.
2. Minor enclosure changes.

We request a Permissive Change Class II based on the above.

Thank you for your assistance.

Regards

Zohar Fox,

Head of Hardware
