VUSION 1.6 BWR BU431

S/N: 06R16B01101-N030001197

Model: EDB1-0160-A

FCC ID: 2ACQM-EDB1-0160-A

IC: 12154A-EDB10160A

ID: **w522-2222**

A black plastic electronic device, possibly a remote control or a small handheld unit, is shown against a wooden background. The device has a white rectangular label area in the center. To the left of the label area, there are three embossed symbols: a power button symbol at the top, a CE mark in the middle, and a crossed-out trash can symbol at the bottom. The device has a silver pin at the top and a small circular feature on the right side.
