The image shows a black, rectangular electronic device, possibly a small camera or a sensor module, resting on a light-colored wooden surface. A white rectangular label is affixed to the front of the device, containing the text "Label Location". To the left of the label, there are embossed symbols on the black plastic: a square with a 'V' inside, the CE mark, and a crossed-out wheeled bin symbol. Below the device, a white ruler is placed horizontally for scale. The ruler has markings in centimeters, with numbers 1 through 9 visible. The device is positioned between the 1 cm and 6 cm marks on the ruler.
