User Manual

Model name: CX-1

Brand name: Wsound

FCC ID: 2ACQVCX-1

Safety and usage information

• Never disassemble or modify your headset for any reason. This doing may cause the headset to malfunction or become combustible. Bring the headset to an authorized service center to repair it or replace the battery.

• When using your headset while driving, follow local regulations in the country or region you are in.
• Avoid storing at high temperatures (above 50° C/122° F), such as in a hot vehicle or in direct sunlight, as this can damage performance and reduce battery life.

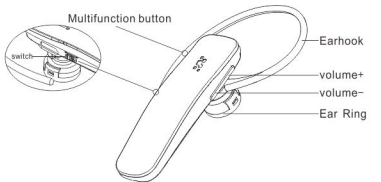

• Do not expose the headset or any of its supplied parts to rain or other liquids.

At very high volumes, prolonged listening to the headset can damage your hearing.

Your headset overview

• Depending on which ear you will wear the headset, simply adjust the ear hook accordingly.

Individual Power switch, easily to turn on/off.

Charging the headset

Put the adapter into the jack on the headset and into the electrical outlet. Charge the headset until the red indicator light turns blue.

Do not attempt to charge the headset with any other adapter instead of the provided.

Charge your headset with your own bluetooth charger.
