

Internal Photos

A close-up photograph of a printed circuit board (PCB) populated with various electronic components. The board is primarily orange-brown. In the upper left, there are several integrated circuits (chips) and electrolytic capacitors. A large, dark, rectangular component, possibly a heat sink or a large capacitor, is prominent in the center. To the right, a green section of the board is visible. A red diagonal line is drawn across the image from the top left towards the bottom right.
