

1. DOCUMENT SCOPE

This document describes the labeling information for the ST005 / SportIQ SmartTag.

2. SMART TAG LABEL

The Smart Tag is potted as shown in Figure 1.

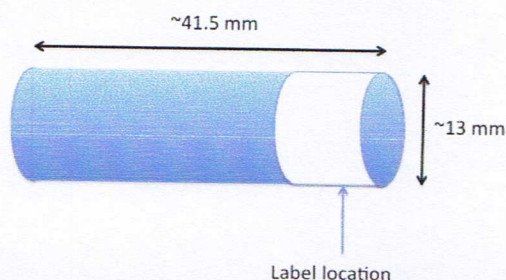

Figure 1. Smart Tag potting

The label will be wrapped around the tag before the tag is potted, as shown in Figure 1. The label will be in the dimensions and with the text shown in Figure 2. The label will be readable through the potting material.

Figure 2. Label dimensions and text
