

Label and placement for INF-C396, INF-C398, INF-C399

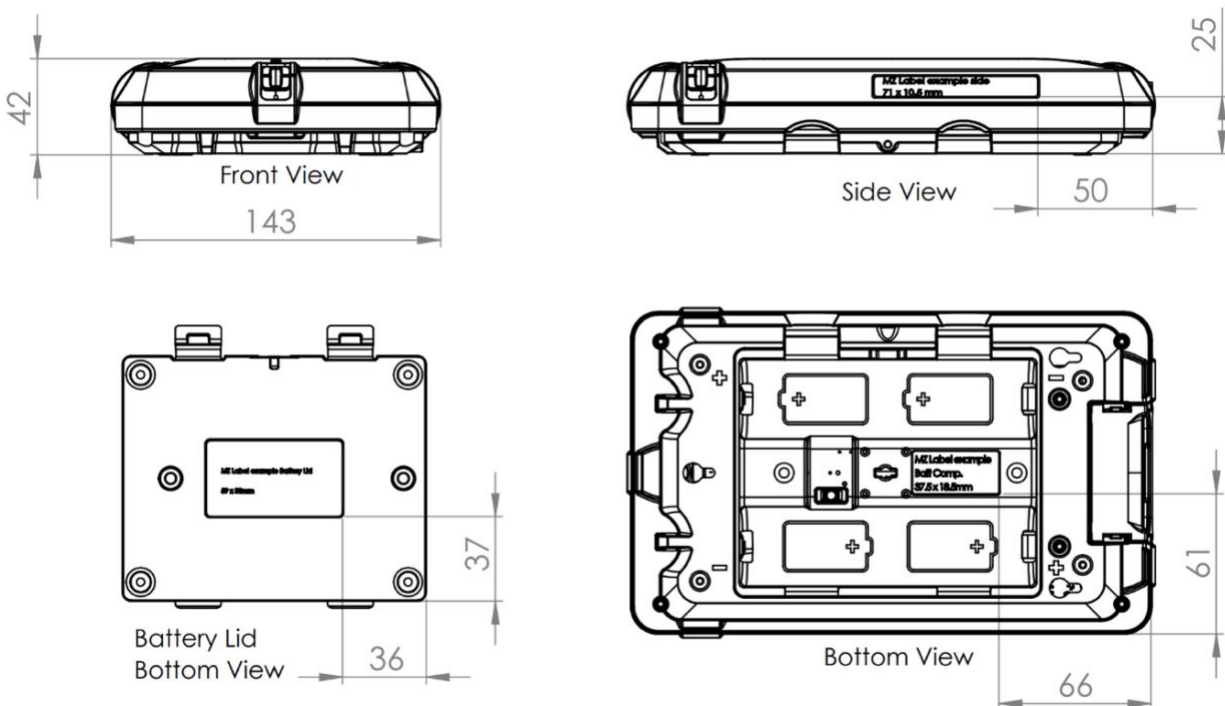

Figure 1: Illustration of label placements (all dimensions in mm). Since the Battery Lid (lower left illustration) is possible to remove, the critical safety information is replicated on a smaller label inside the housing compartment (lower right illustration).

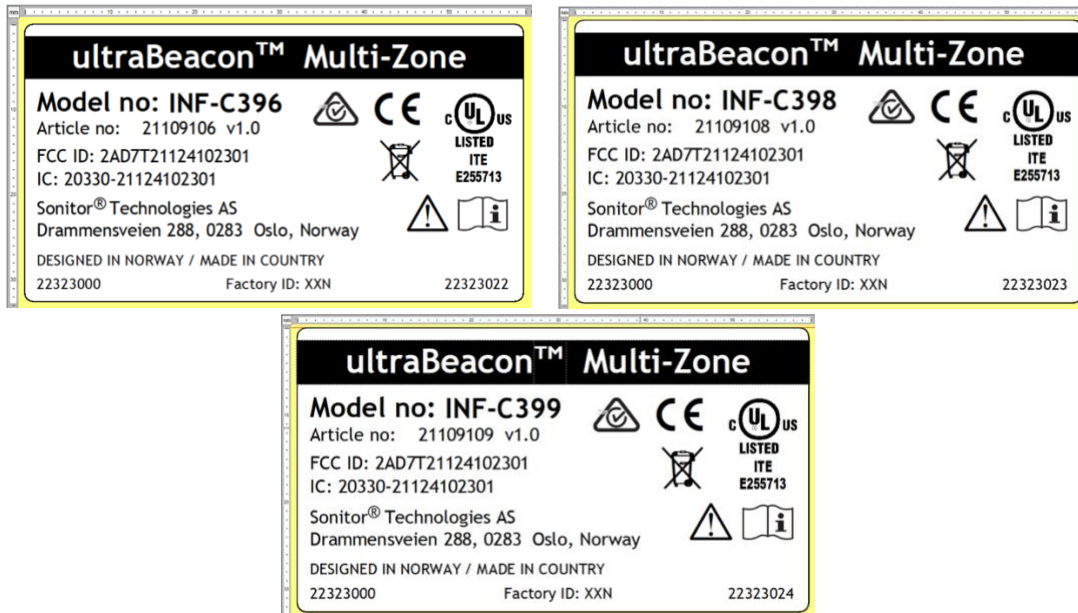

Figure 2: Product labels on the outside of the housing, 59 x 32.8 mm².

Figure 3: TAB ID labels, 57 x 11 mm², with a Datamatrix to the left for the Serial no. and a Datamatrix to the right for the GIAI following GS-1.

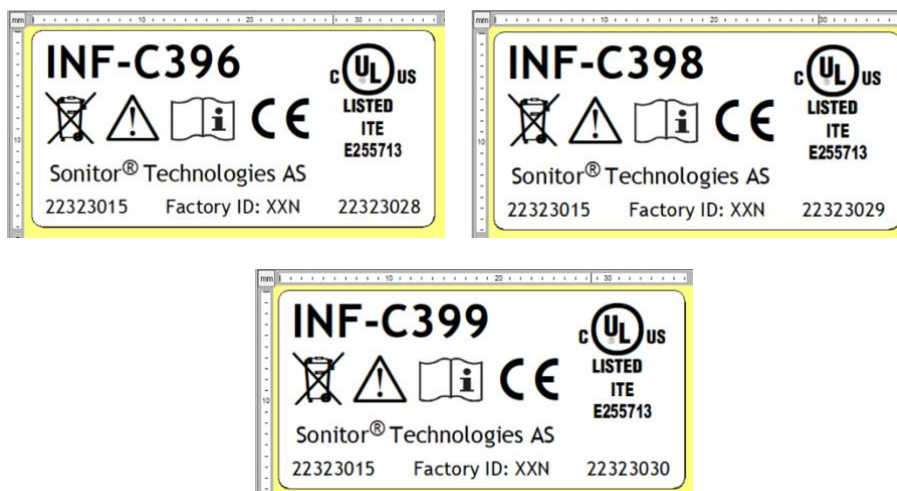

Figure 4: Product labels on the inside of the battery compartment, 37 x 18 mm².
