EXHIBIT 10

Section 2.1033(c) (12) EXTERNAL PHOTOGRAPHS OF THE EQUIPMENT

Photographs (8″ × 10″) of the equipment of sufficient clarity to reveal equipment construction and layout, including meters, if any, and labels for controls and meters and sufficient views of the internal construction to define component placement and chassis assembly. Insofar as these requirements are met by photographs or drawings contained in instruction manuals supplied with the certification request, additional photographs are necessary only to complete the required showing.

Response: Photographs are attached below showing all sides of the product.
