Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) component, labeled 'View 3'. The board is populated with various electronic components, including a large black electrolytic capacitor, a white ceramic capacitor, and several integrated circuits. It is positioned next to a black ruler with white markings for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The background is a blue textured surface.
Solder Board-Component View 4	 A photograph of the same green PCB component, labeled 'View 4', showing the reverse side. The board features a dense pattern of solder pads and traces. It is placed next to the same black ruler with white markings for scale. The background is a blue textured surface.
