Dear Sir/Madam,

**RE: Modular Approval Request for Model:** GRJWB05-JA

FCC ID: 2ADAP-GRJWB05JA

**The following attestation addresses the requirements to support modular approval:**

| **Modular approval requirement** | **Yes** | **No *** |
|---|---|---|
| (i) The radio elements of the modular transmitter must have their own shielding. The physical crystal and tuning capacitors may be located external to the shielded radio elements. | Yes, Shielding is provided by a metal cover the circuitry. | |
| (ii) The modular transmitter must have buffered modulation/data inputs (if such inputs are provided) to ensure that the module will comply with part 15 requirements under conditions of excessive data rates or over-modulation. | Yes, All modulation and data inputs are buffered by circuitry on the transmitter chip. | |
| (iii) The modular transmitter must have its own power supply regulation. | Yes, Power supply regulation is provided by circuitry on the transmitter chip. | |
| (iv) The modular transmitter must comply with the antenna and transmission system requirements of §§ 15.203, 15.204(b) and 15.204(c). The antenna must either be permanently attached or employ a “unique” antenna coupler (at all connections between the module and the antenna, including the cable). | Yes, The antenna is permanently attached. | |
| (v) The module must demonstrate compliance in a stand-alone configuration. | Yes, Testing was performed with the module extended outside of the host on a special extender boards, as shown in the test setup photos. | |
| (vi) The modular transmitter must be equipped with either a permanently affixed label or must be capable of electronically displaying its FCC identification number. | Yes, A sample of the host label is provided as an exhibit, showing the FCC ID of the module. | |
| (vii) The modular transmitter must comply with any specific rules or operating requirements that ordinarily apply to a complete transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements. | Yes, The modular transmitter complies with part 15 as demonstrated in the test report exhibit. | |
| (viii) The modular transmitter must comply with | Yes, The modular transmitter complies | |

| | | |
|---|---|---|
| any applicable RF exposure requirements | with RF exposure requirements as demonstrated in the RF exposure information exhibit. | |

* Please provide a detailed explanation if the answer is “No.”

Yours sincerely,
