Back of Base Unit

Battery Compartment of Base Unit

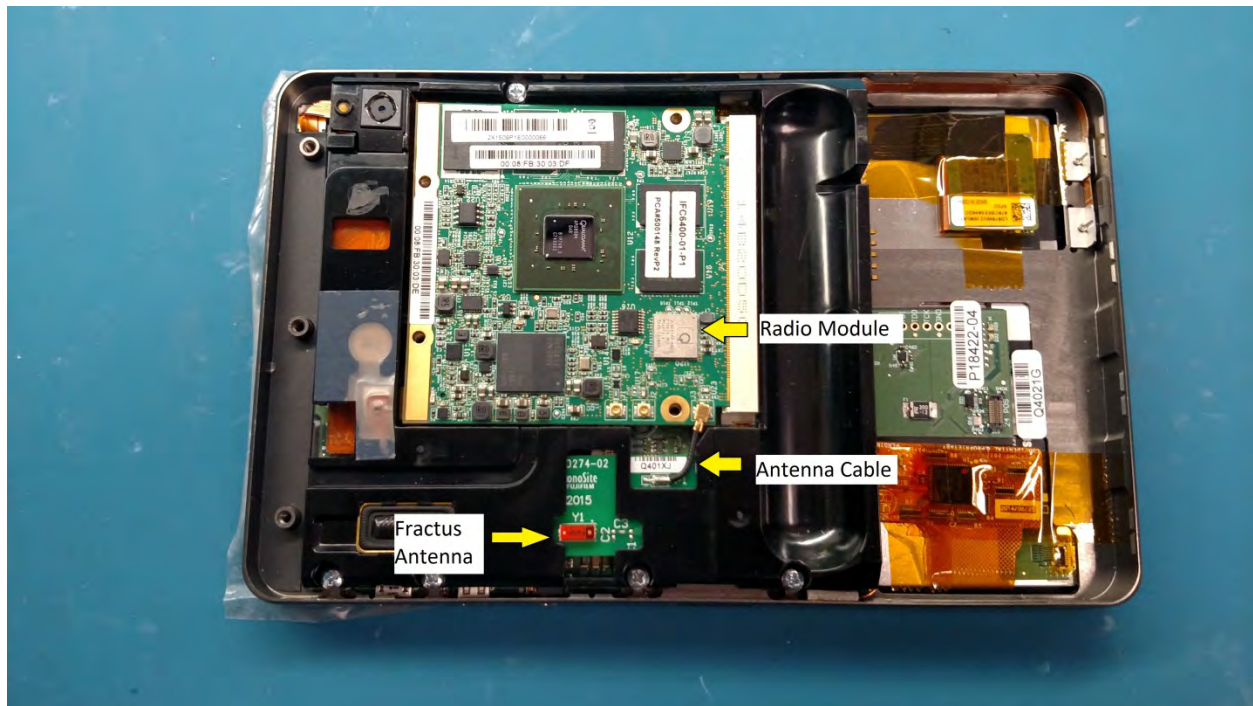

Top of Base Unit

A side view of the HP Z2 Mini G1 showing the bottom edge. From left to right, the ports are: a USB Type-A port, an HDMI port, a DisplayPort, and a 3.5mm audio jack. The device is held by a hand against a blue background.

A hand is holding a dark, rectangular electronic device, possibly a smartphone or tablet, against a blue background. The device is held horizontally, and a small, clear, rectangular piece of tape or adhesive is visible on the bottom edge of the device.
