

Date: 11/25/2014

To whom it may concern:

We Inforce Computing wish to submit Qualcomm Atheros' FCC ID: PPD-QCA6234 & IC: 4104A-QCA6234 external pictures solely for the submission of this application with full permission from Qualcomm Atheros.

We declare that we have not modified the device in any way and the Qualcomm Atheros' marking will appear on the devices **we** market and sell under **our** FCC and Industry Canada approvals.

Thanks

A handwritten signature in black ink, appearing to read "Pratish Desai", with a stylized flourish at the end.
