Re: FCC ID: 2ADDKFLY4KW01

To Whom It May Concern:

The following application is submitted on behalf of our client, 360fly, Inc., for evaluation of their model FLY4KW01 for certification under FCC Parts 15.247 and 15.407.

The FLY4KW01 is an in-car police video camera with complete 360-degree coverage. The device includes a Bluetooth+BLE/Wi-Fi transceiver.

The 2ADDKFLY4KW01 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Sam Wismer". The signature is fluid and cursive, with the first name "Sam" being more legible than the last name "Wismer".
