

EV14T68A

Label and Label Location

Revision 0.2
May 2023

This document contains the Label and Label Location information for the EV14T68A (ATA5831-XPRO).

Diagram of a green PCB (Printed Circuit Board) with various components and labels. The board features a large black circular component on the left, a white rectangular component labeled "LABEL1 LABEL2" in the center, and a white rectangular component labeled "[INFO TEXT]" below it. A red arrow points to the text "IC: 20266-14T68" and "FCC ID: 2ADHK14T68" on the left side. The board also includes a silver threaded component on the far left, a grey rectangular component on the far right, and a white rectangular component labeled "LABEL1 LABEL2" on the right side. Various electronic components like capacitors and resistors are visible. Regulatory markings include "CE", "RoHS", and a recycling symbol.
