

Lyps

Product: Silicone Vibrator
Model: HB005

NOTICE

- Please do not share this vibrating butt plug with other people to avoid bacterial infection.
- Clean the product thoroughly before and after each use.
- To improve stimulation, use this vibrating butt plug with water or silicone based lubricant.
- Do not overuse this product for a long period of time as the motor may overheat.

SET UP

Connect the USB cable to the bottom of the Zeus to charge the device. LED light will remain switched on as it is charging. The LED light will turn off once Zeus is fully charged.

Once the product is fully charged, screw on the suction cup as required. Your Zeus is now ready for use.

There are 4 steps to using Zeus. Please note that this device has a standby mode. Also the power button on the vibrator and remote control are interchangeable. Hence the below instructions applies to both.

- Step 1: press the power button once, the LED light will start flashing. The device is now in standby mode. Press the power button again for Zeus to start vibrating.
- Step 2: press the power button again to change the vibration frequency. There are 10 vibration frequencies in total.
- Step 3: hold the power button for 2 seconds to go into standby mode.
- Step 4: Once it is in standby mode, hold the button for 4 seconds, the machine will vibrate for 1 second and it will switch off.

MAINTENANCE

- Clean and dry the product after use. And keep it away from direct sunlight.
- Do NOT use brush or acid based cleaner for cleaning.
- Zeus is made from FDA approved body-safe medical grade silicone. It is 100% waterproof.

TROUBLESHOOTING

- **Zeus does not activate when the power button is pressed?**

Ensure the product is fully charged. Also, the device may be in standby mode. Please press the button again to switch it on. If this does not resolve the issue then please contact support.

- **The sound is too loud?**

This product contains powerful motors. This provides a mild to strong stimulation for the user. Hence the vibrations may produce certain amount of sounds.

- **The vibration is not strong enough?**

This may be caused by insufficient battery power. Please connect the USB charger to charge the device.

- **How do I contact Lyps with further problems or questions?**

Please contact us at support@lypsonline.com.

One of our Lyps Customer Experience Managers will get back to you within 48 hours.

FCC Warning

This device complies with part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
