BLUETOOTH™ VERSION	V4.2+EDR
BLUETOOTH™ MODE	A2DP1.3/HFP1.6/HSP1.2/AVRCP1.6/D11.3
BLUETOOTH™ FREQUENCY	2.4GHz
BLUETOOTH™ RANGE	Up to 10 meters with no obstructions
BATTERY CAPACITY	Earbuds: 40mAh rechargeable li-battery Charging dock: 300mAh
PLAY TIME	Single earbuds mode: 1-2 hours
STANDBY TIME	Single earbuds mode: 3-4 hours Dual earbuds mode: 60 hours

BLUETOOTH™ OPERATION (SINGLE EARBUD)

1. Please ensure that the Bluetooth function has been turned on in the settings of your Bluetooth enabled device.
2. Turn the desired single earbud on by pressing the power button for 7-10 seconds. The indicator light will flash to detect Bluetooth enabled devices near you and will enter pairing mode.
3. XMI TWS will appear on the Bluetooth device list. Select this to enable pairing.
4. Once the earbud has been paired to the desired mobile device, the indicator light will turn blue to confirm successful pairing.
5. When you want to play audio from another Bluetooth device, disconnect the earbud from the original device and follow steps 1-3 to re-pair the earbud with a new Bluetooth enabled device.

BLUETOOTH™ OPERATION (DUAL EARBUDS)

1. Turn the each earbud on at the same time by pressing the power button for 7-10 seconds. Press the power button twice on either earbud to activate pairing of earbuds.
2. Please ensure that the Bluetooth function has been turned on in the settings of your Bluetooth enabled device.
3. The indicator light will flash to detect Bluetooth enabled devices near you and will enter pairing mode.
4. XMI TWS will appear on the Bluetooth device list. Select this to enable pairing.
5. Once the earbud has been paired to the desired mobile device, the indicator light will turn blue to confirm successful pairing.
6. When you want to play audio from another Bluetooth device, disconnect the earbuds from the original device and follow steps 1-3 to re-pair the earbud with a new Bluetooth enabled device.

BUTTON CONTROL:

*Pause/Play: Press the power button on the left earbud to pause the music, press again to play.

*On/Off: Press and hold the power button on each earbud to turn them on. If the earbuds are in use, press and hold either the left or right earbud to turn off both earbuds.

*Hands-free: Press the power button on the left earbud to answer an incoming call. While on a call, press the power button on the left earbud once to end the call.

*Last Number Dialed: Press and hold the left earbud for 2 seconds to redial the last number called.

*Reject Call: Press and hold the left earbud for 2 seconds to reject an incoming phone call.

CHARGING THE EARBUDS:

1. When the battery is low, please charge via included USB cable and charging case.
2. When the battery is low and the earbuds are in use you will hear a beep notification.
3. Charging time is approximately 1 hour and provides up to 3-4 hours of continuous operation. Standby time is approximately 60 hours.
4. The LED indicator light will be red during charging and will turn blue once it is fully charged.

WARNINGS:

1. Do not disassemble, repair or modify the earbuds.
2. To avoid danger, do not place product in or near fire as it uses a lithium battery.
3. Avoid storage at extreme temperatures, this can shorten the battery life and may effect the earbuds.
4. Keep the earbuds dry and do not store the earbuds in damp areas.
5. To prolong the earbuds life span and to avoid hearing damage, please do not listen to music under high volume for long periods of time.
6. When an error occurs with the earbuds, please turn off the earbuds and restart it to troubleshoot.
7. When the earbuds power is low, the Bluetooth range will be affected. Please charge the earbuds to avoid disruptions during use.

Federal Communications Commission (FCC) Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications made to this device not expressly approved by Shenzhen Kingstar Industrial Co.,Ltd. may void the FCC authorization to operate this device.

Note: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.
