Photo 8: Front View	Photo 9: Back View
 A black electronic device, likely a camera or a small tablet, is shown from the front. It features a large lens in the center, a flash to the right, and two small circular sensors at the bottom. The device is placed on a blue surface next to a stainless steel ruler for scale. The ruler shows measurements in centimeters and inches.	 The back view of the black electronic device is shown. It has a textured, possibly metallic or plastic, surface with four mounting holes at the corners. A small circular feature is visible on the left side. The device is placed on a blue surface next to a stainless steel ruler for scale.
