12020 113th Ave NE, Suite 210
Kirkland, WA 98034

January 26th, 2015

Application for Certification of i1 SensorTech, Inc. Frequency Hopping Spread Spectrum Transceiver under 46 CFR 15.247
Model: D0001 FCC ID: 2ADZF-D0001

To whom it may concern,

i1 SensorTech, Inc. requests FCC approval for the model D0001 Vector Mouthguard.

Part of i1 Sensortech's Impact Intelligence™ System, the D0001 is an intelligent mouth guard for sports athletes that transmits head impact data real-time via a ISM 900MHz radio link to a side line receiver connected to a side line laptop.

The device functions at 902-928MHz and operates under FCC rules Part 15.247.

Sincerely,

Tom Nuxoll
Project Manager
