

2026-05-05
Philips Oral Healthcare LLC
22100 Bothell Everett Highway, Bothell, WA, 98021

Attention: FCC

We are submitting an application for a Class II Permissive Change to the FCC approval of:

Company: Philips Oral Healthcare LLC
22100 Bothell Everett Highway, Bothell, WA, 98021
Product Description: Rechargeable Power toothbrush with Bluetooth and NFC features.
FCC ID: 2ADZNHX7
Original Grant date: 02/17/2025

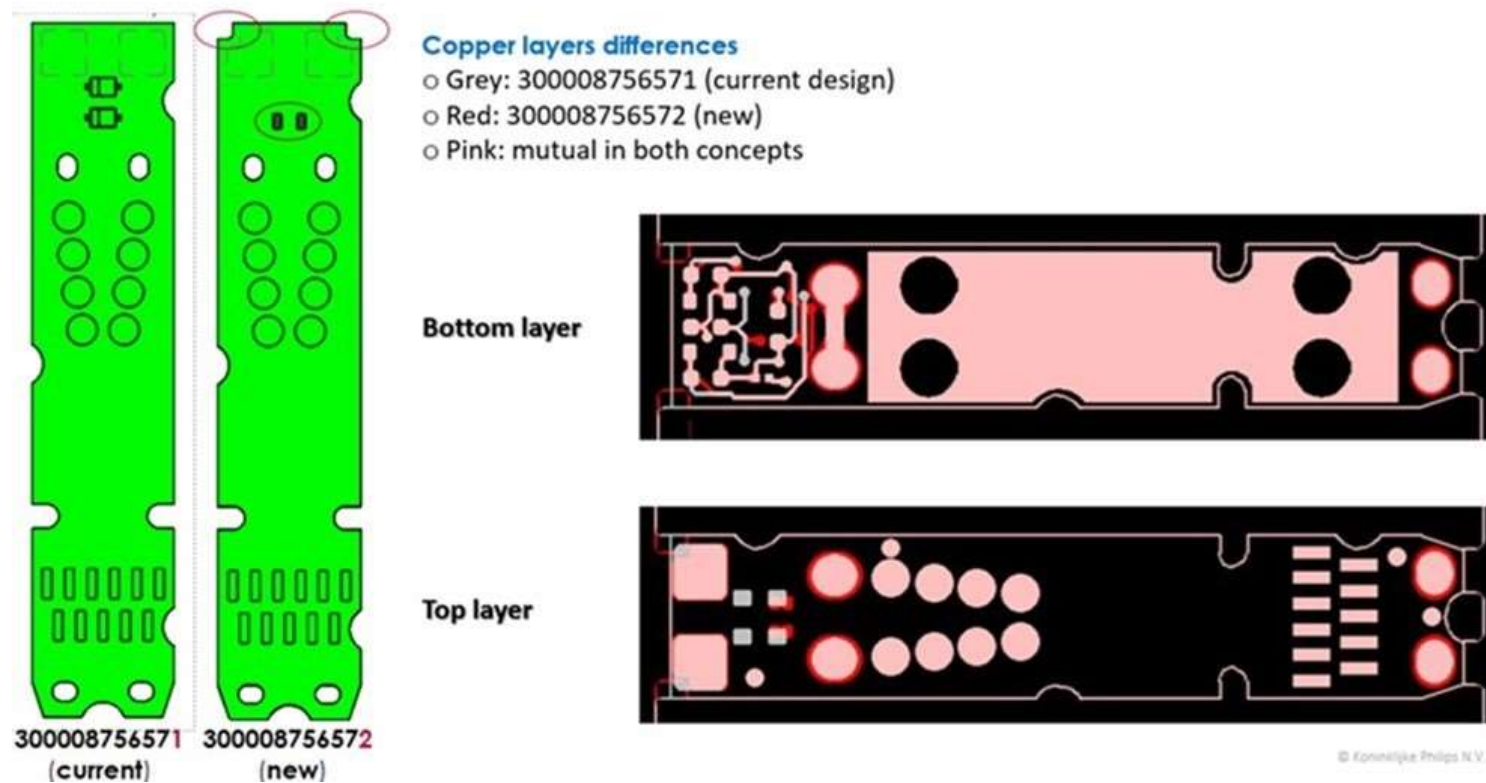

Here are the list of changes:

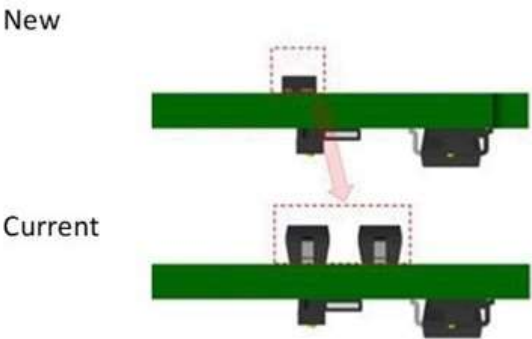

- Add new models with the same electrical and mechanical construction as the original models evaluated.
- Add new color housing.
- Update PCB layout for manufacturing purposes, with no changes to the transmitter circuits.
- Changed Antenna, the antenna is the same type, but the gain has increased.

PHILIPS

The test sample evaluated has the following PCB modifications, none of them are related to the Tx circuit nor the Bluetooth antenna, modifications were done for manufacturing purposes.

See below the table of the handle clors based on the final character of the model name:

Handle Color	
A	Dental White
B	Black
C	Light Pink
D	Navy Blue
E	Paster Cyan
F	Soft Blossom
G	Light Blue
H	Mid Purple
J	Dental white variation- White handle with light blue endcap

Sincerely.
