

BLUETOOTH VIRTUAL REALITY Headset with Built-in Headphones

Please read all instructions and warnings in this sheet prior to using the Bluetooth Virtual Reality Headset with Built-in Headphones. Keep this instruction sheet as it contains important information for future reference.

SAFETY WARNINGS: PLEASE READ ALL SAFETY WARNINGS BEFORE USE

- The VR Headset should not be used by children under 12 years of age.
- Adults should monitor children over the age of 12 for the symptoms described below and ensure they take the recommended breaks.
- Use the VR Headset only for its intended purpose.
- Some people may experience seizures or dizziness when experiencing virtual reality. Stop use immediately if you feel any discomfort and consult your doctor if you have any concerns.
- Ease into the use of the VR Headset to allow your body to adjust; use for only a few minutes at a time at first, and only increase the amount of time using the Gear VR gradually as you grow accustomed to virtual reality. Looking around when first entering virtual reality can help you adjust to any small differences between your real world movements and the resulting virtual reality experience.
- Only use the VR Headset in a safe environment and always be aware of your surroundings. The VR Headset produces an immersive virtual reality experience that blocks your view of your actual surroundings.
- Always remain seated when using this product.
- Never wear the VR Headset in situations that require attention, such as walking, bicycling, or driving.
- Take frequent breaks when using the VR Headset (at least a 15 minute break every 30 minutes is recommended).
- Never use the VR Headset while in a moving vehicle as this may increase any susceptibility to adverse symptoms.
- Do not handle sharp or otherwise dangerous objects while using the Smartphone 360° Virtual Reality Headset.
- Make sure the VR Headset is level and secured comfortably on your head, and that you see a single, clear image.
- Do not modify or service the VR Headset. The VR Headset has no serviceable parts.
- The VR Headset is not a protective case for your phone. Avoid dropping, hitting, or sitting on headset.
- Inspect the product before every use. If the product appears worn, frayed, cracked, or broken in any manner, discontinue use and discard immediately.

CONTENTS

- 1 VR Headset
- 1 Removable Top Head Strap

SPECIFICATIONS

- Fits smartphones with 4.7"-5.9" diagonal screen measurements
- Requires download and installation of Google Cardboard-compatible app.
- Remove phone case before inserting into VR Headset.

Printed in China

SET UP:

Download or open your favorite VR App or Video*.

Note: Please remove your phone case before inserting your phone into the VR Headset.

Insert top strap through the top of the VR Headset then through the Side Strap's buckle. Adjust with the hook-and-loop.

Note: Top strap can be removed completely for handheld viewing.

Open the front part of the VR Headset.

Ensure the center line on screen is aligned with center line on viewer

Place your phone flat onto the lens portion of the VR Headset compartment and close the compartment. **Make sure your phone's split screen line matches up with the line found inside of the VR Headset.**

Note: If your viewing experience is blurry please make sure the phone is properly aligned with the center line.

Phone holder can be adjusted from up and down, from left to right to make sure the phone screen fits in the viewer and touch the conductive rubber pad well.

Foam pad included on the door ensures the phone fits well when closed.

Before putting on your Headset, use the adjustments on the bottom so that you see a single, clear image.

Using the adjustable straps, secure the VR Headset to your head.

Note: For optimal performance the phone should not move inside of headset.

USING YOUR HEADSET:

Press the top button on the VR Headset to select objects in your app or video (not supported by every app or video). Certain screen protectors may interfere with the top button function.

Move around to explore apps and videos (not supported by every app or video).

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
4. Consult the dealer or an experienced radio / TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

*Requires iOS® or Android™ smartphone operating Google Cardboard-compatible apps (not included). Recommended screen size: 4.7"—5.9" measured diagonally. MerchSource, LLC. is not affiliated with or responsible for any content distributed through the App Store® or Google Play™.
