The image shows a white rectangular object, possibly a test specimen, placed on a white table with a wooden top. The table is on wheels. A yellow label with the text 'B50504' is attached to the table. A red cable is connected to the object. The background is a dark, curved wall with a grid of white cross-shaped absorbers. To the left, there is a red and green mechanical device. To the right, there are stacks of white rectangular blocks. The floor is a light-colored, reflective surface with yellow and black safety markings.
