Re: **FCC ID 2AE6T-5782 REQUEST FOR CONFIDENTIALITY**

To Whom It May Concern

Pursuant to the provisions of Sections 457 and 459 of the Commission's rules (47 CFR), we are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely:

- Schematic
- Block Diagram
- Operation Description
- Antenna Specification

The above-mentioned documents contain detailed system and equipment descriptions and are considered proprietary information in operation of the equipment. The public disclosure of the above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to the above referenced documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term confidentiality request on the following attachments for 180 days from the issue of the grant:

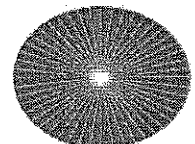

- External Photos
- Internal Photos
- Test Setup Photos
- User Manual/Quick Start Guide
