I need to update the product name, the name of the product is changed from Car RADIO Player to Bluetooth CD Boombox

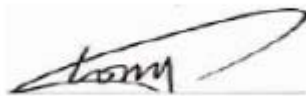

You can find the changes on SCS-F04 FCC Form 731 Item 10.

I need to replace the RF Exposure report and RF Test Report, because the product name in the report have a spelling mistake.

you can find the changes on the first page of RF Exposure report .

you can find the changes on 1、4、5、8、11、16、21、26、29、38、75、92 page of RF Test Report.

Thank you,
