Axonics Cover Letter for Application-FCC

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, Maryland 21046

Re: Cover Letter for FCC Application
FCC ID: 2AEEGTS
Model: ETS-02

To whom it may concern,

Axonics Modulation Technologies, Inc is submitting the External Pulse Generator (EPG) for FCC original certification (Model: ETS-02), a medical device, under the FCC ID Rule Part 95i.

The radio product is equipped with MedRadio (wing band) transceiver. It operates at the 401 MHz to 402 MHz and 405 MHz to 406 MHz wireless spectrum.

The External Pulse Generator's (EPG) FCC ID shall be "FCC ID: 2AEEGTS" and Model: ETS-02.

Sincerely,

A handwritten signature in black ink, appearing to read "Sal Pal", is written over a light blue horizontal line.
