Declaration Letter

We,

GILL ELECTRONICS

declare on our sole responsibility that the product

Brand Name: TesLink
Model Name: WPR700U1

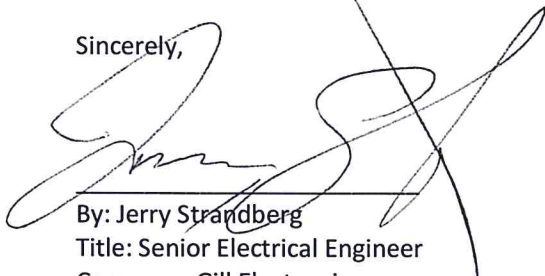

is in all RF related HW and SW identical to the product

Brand Name: TesLink
Model Name: WPR700L1

We declare that the products indicated here are identical regarding electrical behavior. The only difference is that Model Name WPR700U1 has an USB connector and Model Name WPR700L1 has an Apple Lightning connector. Both connectors have DC-Power Transfer capability only; they do not have Data Transfer capability.

And therefore all RF Test Results of WPR700U1 are applicable for WPR700L1.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerry Strandberg", written over a horizontal line.
