RE: Request for Confidentiality
Applicant: WaveLynx Technologies
FCC ID: 2AEI3WLTC-ER2X-SK17
To Whom It May Concern:

Permanent Confidentiality

Request is hereby submitted by WaveLynx Technologies to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Block Diagrams**

- **Tune up procedure**
- **Parts list**

Rationale for request for confidentiality:

WaveLynx Technologies has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read 'Daniel Field', with a long horizontal flourish extending to the right.
