## Declaration of Confirmation Letter

We, Huizhou Foryou General Electronics Co., Ltd.

Between the present product:

Product Name: JCB UX MEDIA UNIT

Model Name: KMM-J100

and the other family products:

Product Name: DIGITAL MEDIA CAN RADIO

Model Number: KMM-D110

There are identical as following:

Product name: JCB UX MEDIA UNIT, main model: KMM-J100, additional models

KMM-D110 (Product Name: DIGITAL MEDIA CAN RADIO) are consistent with the schematic, PCB layout, hardware version. The differences are shown in the table below, but they do not affect RF performance:

|                              |                                 |                                        |
|------------------------------|---------------------------------|----------------------------------------|
| Different content points     | Product name: JCB UX MEDIA UNIT | Product Name : DIGITAL MEDIA CAN RADIO |
|                              | KMM-J100                        | KMM-D110                               |
| Flash (DSP)                  | 128Mbit                         | No                                     |
| JCB LOGO(In the metal shell) | Yes                             | No                                     |

Note: The above products have the same wireless IC, radiation circuit, power circuit and other circuits, with same shell.

We authority and accept CTC Laboratories, Inc. to just test Model Number: KMM-J100, other model: KMM-D110 as the family products list on the report and certificate.

We acknowledge that all responsibility for complying with the terms and conditions for the application.
